I _____, understand that the results that are retrieved via this service may not be the final results in the case of interim or incomplete reports and the results released on the signed Certificate of Analysis will be considered to be final (please refer to the final Certificate of Analysis for further terms and conditions which are also incorporated by way of reference into this reporting service). I also agree that it is my responsibility to control the use of this service and security of the account in the case of changes within my organization (i.e. employee transferred or leaves).
